

LABORATORY NURSERY

(A Project of the Department of Home Science)

WOMEN 'S CHRISTIAN COLLEGE, CHENNAI 600 006

(Learning Centre for Child Development)

The WCC Laboratory Nursery was started in 1971 by the Department of Home Science. The primary purpose of establishing this learning centre was to use it as a laboratory for the undergraduate students who are majoring in Nutrition, Food Service Management and Dietetics. While fulfilling the above purpose it also meets the growth and developmental needs of 2 ½ to 3 ½ year old children by offering them experiences adapted to their growth needs at these age levels. Thus it shares with the parents the responsibility of promoting sound growth in a period when growth is rapid and important.

There is no formal teaching of the 3 R's. (Reading, Writing and Arithmetic). Play activities constitute the most important means by which children exercise their growing abilities, try out their developing powers and venture into new experiences.

Academic Year: July – Mid April

Working days & timings: Monday to Friday
8:30 a.m to 1:30 p.m

Daily Programmes:

Indoor Activities - The children are involved in various activities such as singing, simple physical exercises, painting and enacting simple stories. Besides they are also involved in building and construction using wooden blocks, observing and experimenting using simple equipment and materials listening to recorded songs and stories.

These programmes are organized to provide a balance between rest and activity.

Outdoor Activities - These are scheduled for optimum sunshine and modified due to weather conditions.

Snack time and lunch time provide a situation for social development as well as an opportunity to promote good health habits. A short nap after lunch provides the rest they need after the day's programme.

Food: A nutritionally well balanced snack, drink and lunch will be provided. Every child is expected to make use of this facility. No child will be allowed to go home for lunch.

Conveyance: Parents are expected to make their own arrangements to bring and collect children.

Eligibility for admission: The child should be 2 ½ years of age on 1st July of the academic year and should be toilet trained.

Fees: (To be paid at the time of admission)

ADMISSION FEE	-	Rs. 50/-
TUITION FEE	-	Rs. 6,000/-
