

CO-CURRICULAR ACTIVITIES 2018-2019

DEPARTMENT OF COMPUTER SCIENCE

DEPARTMENT OF COMPUTER SCIENCE

ACTIVITIES – 2018 – 2019

1. The Annual Inter-Collegiate Tech meet “**Competence 2K19**” was held on 5th March, 2019 on the theme “**Smart Computing**”. **Mrs. Ebenezer Jesintha, Manager, Tamilnad Mercantile Bank, Chennai** and an alumna of the department inaugurated the tech meet. Students from six colleges engaged in a series of events, including Idea Innovation, Technoquest, Trace the Trove, Code-A-Thon, Tech Zeal, Logical Deduction, Manifesto Diseno, and Scrap Cast. These events offered them a challenging platform to showcase their technical expertise and innovative ideas. Chevalier T Thomas Elizabeth College for Women, Chennai won the coveted Overall Trophy.

2. **SPARK DAY** – an Intra-department tech event was conducted on 6th December, 2018. The main objective of this event was to help students enhance their technical knowledge. The students engaged in various events like Connections, Quiz and Debugging that helped them develop their technical and technological skills. Students of the department participated enthusiastically and displayed their talents. They also found an opportunity to cultivate good team spirit and build relationships with their fellow participants.

3. The Department of Computer Science arranged a two-day industrial visit to Hyderabad for the final year B.Sc. students on 19th and 20th February, 2019. A total of 44 students along with two faculty members of the Department, Dr. V. Narmadha and Ms. Mercy Evangeline participated in this field trip. The students visited Salarjung Museum, Charminar Monument and BITS (Birla Institute of Technology & Science), Hyderabad Campus. The purpose of the trip was to offer students firsthand experiences that allowed them to explore the educational system beyond their campus and daily routines. The objective was to boost their motivation to learn and cultivate a stronger passion for acquiring knowledge.
