AND TECHNOLOGY**

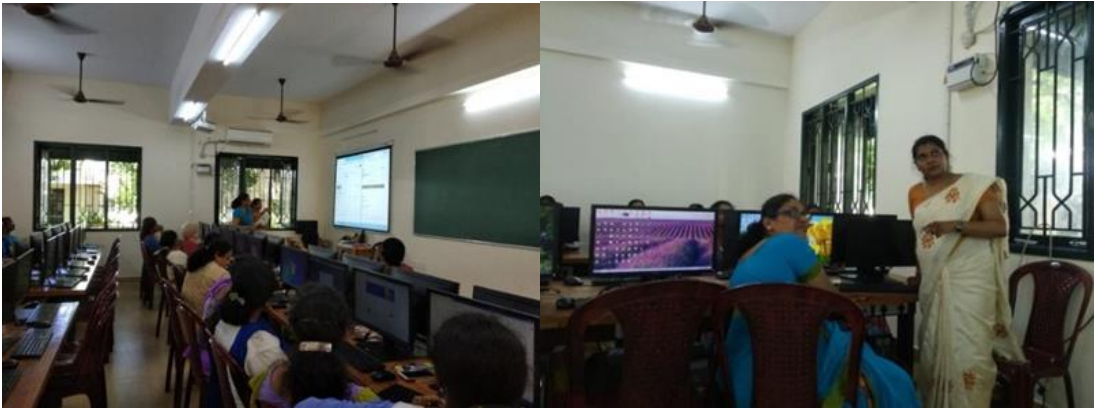

DEPARTMENT OF COMPUTER SCIENCE AND TECHNOLOGY

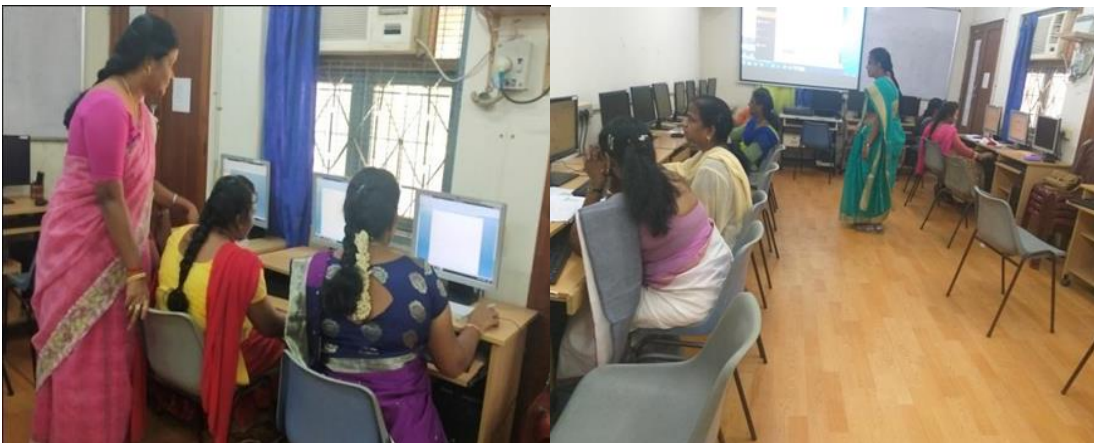

ACTIVITIES – 2019 – 2020

(Conferences, Seminars, Webinars, Workshops, Industrial Visits, Field Trips, Talks, Campaigns, etc.)

1. An FDP – Faculty Development Program -**ICT Enabled Teaching Methodology** – Google Classroom was organized by the CST & IT department to help the Teaching Staff – Shift I & II to enhance their knowledge about ICT tools on 11th October 2019.

2. A Development Program on **Document Preparation in MS Office** was organized by the CST & IT department for Nonteaching Staff from 3rd to 7th February 2020 to enhance their knowledge in MS Office.

3. A Department association “**RENAISSANCE**” was conducted with the objective of providing a platform that improves the technical skills of students and makes their learning interesting by conducting weekly activities like Don't Scream, Picharades, Poster Designing, Nail art, Logo Quiz, Dumb Charades, Paper Presentation, Creative Singing, Block and Tackle, Mehandi, Technical Connections, Logo Design. Totally **12 weekly events** were conducted.
4. Intercollegiate Techno Meet –**CompSync'20** was conducted on 21st February 2020 by the students of the Computer Science Departments both from Shift I and Shift II. The main objective of this event is to provide a platform for the students to showcase their talent and exhibit their knowledge in the field of computer science thus improving the general knowledge of each participant.

5. An **educational field trip** was organized for the final year students from 28th to 30th November 2019. The students visited the **Infosys Training Campus**. The students understood the company domain, and the recruitment process, and also they gained knowledge about the future developments in the IT industry. They were motivated and encouraged to pursue goals based on their interests

6. A Service Learning Project “**Teaching N Learning**” was undertaken by the students during 05/11/2019 – 12/11/2019 in **Chennai Higher Secondary School**, Choolaimedu, Chennai - 94. Through this SLP, the students were able to adapt themselves to teach different levels of students from standard V to VII and gain the experience to serve society.
