ACTIVITIES – 2023-2024

1. VISIT TO INDIAN SEASHELL MUSEUM ON 4.8.2023

The aim of this trip was to provide insight into mineral occurrences and the formations of different mineral categories and to gain a unique perspective on conchology, discover various species of fish and learn of different dinosaurs from the Triassic, Jurassic, and Cretaceous Periods

The students gained so much knowledge when visiting these grand natural collections and historical places. It provided an intriguing learning experience, while being factual and entertaining at the same time.

2. INDUSTRIAL VISIT TO HATSUN AGRO LTD.

On 6th March, 2024, we undertook an Industrial Visit to Hatsun Agro Ltd. accompanied by 2 staff members Dr. Malar Packyanathan and Ms. S Pauline Jannet.

The Industrial visit gave them an opportunity to learn the processes involved in producing a product. They also gained an insight on certain important tasks like production, advertising, marketing and distribution.
