Activities : 2022-2023

(Industrial visits, Field Trips, Campaingsetc.)

1. **Compsync'23 was an intercollegiate festival**, conducted by the Department of Computer Application, Information Technology, Computer Science and Technology on 21st February 2023. Compsync'23 aims to encourage students to participate and explore undiscovered facets of their personality by showcasing their talents in planning and preparing for various competitions. The chief guest for this vent was Mrs. Jasmine Jayakumar, Vice President of BNY Mellon India Private Limited Chennai. Around **14 colleges** from Chennai with a sum of **147 students participated in various events** like Get-Set-Breach, Cyberzap, Cy-Tech, Cyber Trivia, Cylogue, Crypt Master, Cybernetique, and Cyber Queen.

2. Department of Information Technology of UG and PG had organized an Educational Trip to **BITS Pilani Institute of Technology and Science, Hyderabad** for sixty students who were accompanied by two faculties **Ms. J. Serin and Ms. E. Kiruba Nesamalar** from **8th October 2022 to 10th October 2022**.

Department of Information Technology

3. The **Department of Information Technology** arranged **EVS trip** for first years to visit Dhakshanchitra and Mahabalipuram on **21st September 2022** accompanied by two staff Ms. E. Kiruba Nesamalar and Dr. S. Sandhiya. The visit started from Dhakshanchitra and then to Mahabalipuram. Students visited old architectural wonders of Mahabalipuram, authentic places like shore temple, Tiger Caves, Arjuna's penance and Krishna's Butter Ball which gave them a whole new wonderful feeling about Indian historical monuments.
