

POSTGRADUATE DEPARTMENT OF CHEMISTRY
2023-24
(Conferences, workshops, seminars, and FDP)

Seminars

The National Seminar on “New Frontiers in Organic Chemistry, Pharmaceutical Chemistry, and NanoScience Research” was held on December 15, 2023, to commemorate the 70th anniversary of the Department. The seminar featured a keynote address by Dr. K. J. Sreeram, Director of the CSIR-Central Leather Research Institute, who spoke on “Chemists, Chemistry & New Frontiers.” Plenary Session I included a presentation by Dr. K. V. Radhakrishnan, Chief Scientist at the National Institute for Interdisciplinary Science & Technology, focusing on “Unveiling Nature’s Alchemy: An Intriguing Voyage into Molecules and Interdisciplinary Methods.” Additionally, P. Senthilkumar, President of RECEPS Pvt. Ltd., discussed “Antimicrobial Resistance and Drug Discovery.” The event fostered insightful discussions and showcased advancements in these vital fields of research.

Dr. K. J. Sreeram, Director, CSIR-CLRI addressing the gathering

Science Exhibition and Chemistry Olympiad (22-24 January, 2024). The following events were organized;

Date	Name of the event
22-01-2024	Workshop - Basic Electronics for Physics students
	Mathematics Quiz Drawing Competition for mathematics, Chemistry & Physics
23-01-2024	Rally
	Fun with science
	Science Exhibition - Fun corner, Quiz corner (PG)
	Internal science exhibition for B. Sc Chemistry students
24-01-2024	External science exhibition for School students
	Chemistry Olympiad
