

DEPARTMENT OF DATA SCIENCE 24-25

ACTIVITIES

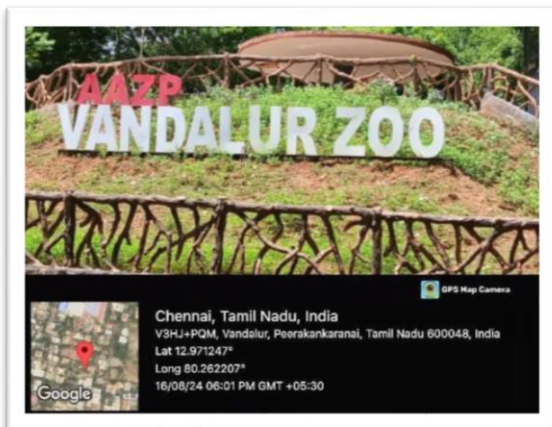

1. A seminar on the topic “CYBERSAFE – Protecting your online identity” was organized by the department to create awareness about the importance of cyber-security to the student Community. It is equally important to create awareness about cyber security attacks and how essential it is to protect your online identity as much as we protect our physical identity on 19.07.2024. Mr. Ramsundar Suresh, Entrepreneur, Managing Director, HebeSec Technologies Pvt. Ltd. was the resource person.

2. The Data Science Department along with the Department of Computer Science and Technology organized a seminar titled with “Achieving Gender Equality and Empowering Women” on 23/07/2024. The objective of the seminar was to provide awareness about gender equality rights. “M.S.SAYEE CHAITANYA REKHA” , Practicing advocate at Madras High Court, who is also an alumina of WCC was the resource person.

3. The students of BSc (Computer Science with Data Science) went for a EVS Field- trip to “Arignar Anna Zoological Park, popularly known as Vandalur Zoo” along with departments of IT and CST to make them feel connected to nature.

4. A team of students from the I UG CSDS has participated in a 24 hr. Hackathon titled with “HACK O’ HOLICS 5.0” organized by the Department of CSE, IT, and ADS at St. Joseph’s Institute of Technology, in association with the Computer Society of India (Kancheepuram Chapter) from 13/09/2024 to 14/09/2024 at St. Joseph’s Institute of Technology. After 3 reviews, out of 85 teams, our team was selected for the best 10 teams for the finals.
