CO-CURRICULAR ACTIVITIES 2018-2019

**POST GRADUATE DEPARTMENT OF
PHYSICS**

POST GRADUATE DEPARTMENT OF PHYSICS

ACTIVITIES: 2018 - 2019

(Conferences, Seminars, Webinars, Workshops, Industrial Visits, Field Trips, Talks, Campaigns, etc.)

1. The department conducted an **inter-departmental event (LYRA 2018) on 10th September 2018**. Students from various departments of Shift II participated in all the events and won several prizes.

A **GBI sales** was also conducted **on 10th September 2018** where the students displayed their entrepreneurship skills with self-made articles.

2. **Ms. Jelin Rebakah, Assistant Professor Department of Psychology** gave a motivational Lecture on **Life skills for Students** on 20-7-2018. The students were taken through an effective session on managing stress, learning to deal with emotions, improving their self-esteem, and coping with and managing their lives in a healthy and positive way.

3. As a part of the Department Lecture Series **Dr. Alison Fernandez** gave a Lecture on **Guidelines for a Master's Project** on 12-10-18. The PG Physics students were given critical points on how to write a Master's Thesis.

4. As a part of the Department Lecture Series, **Ms. Kesavavarthini T** gave a Lecture on the **Summer Fellowship Research Program at IIT-M**. She shared her experience on the entire process from applying for the internship to the completion of the same.

5. The staff and students of the PG department of Physics as a part of **ISSER** regularly visit Fathima Convent Kodambakkam, which houses **VIDES an association for visually challenged students**. The staff and the students do reading and written assignments for them both in English and Tamil.

The students of the department won various prizes for their active participation in academic and co-curricular activities.
