CO-CURRICULAR ACTIVITIES 2019-2020

POST GRADUATE DEPARTMENT OF
PHYSICS

POST GRADUATE DEPARTMENT OF PHYSICS

ACTIVITIES : 2019 – 2020

(Conferences, Seminars, Webinars, Workshops, Industrial Visits, Field Trips, Talks, Campaigns, etc.)

1. The students of the department exhibited Entrepreneurship skills by making and selling handicraft items like notepads, bookmarks, key chains, pen stands, earrings, bangles, and so on. Along with this homemade food was also prepared and sold. Two sales were conducted in the year in the month of November and January. During the sale in January, a team from Singapore part of the Global Educators patronized the stall and expressed that they were impressed with the articles being sold.

2. Inter-collegiate Post-Graduate Level Physics competitions were held during **FLARES 2020**, on 29th January 2019. Events like Potpourri, Treasure Hunt, Quiz, Face-painting, Poster Presentation, and Jerk's Corner were conducted. Around 30 PG Physics Students from Bharathi Women's College, Meenakshi College for Women, Presidency College, and New College. Presidency College won the overall prize.

3. As a part of the Department Lecture Series, **Ms. Anjaly J Rahel** gave a Lecture on **Acing the NET**. The PG Physics students were given critical pointers on the preparation and how to tackle the NET exam.

4. The staff and students of PG Department of Physics as part of ISSER regularly visit **Fathima Convent Kodambakkam**, which houses **VIDES** an association for visually challenged students. The staff and the students wrote assignments for them both in English and Tamil. This year the staff & students also spent time with little kids who are from very economically backward families near the convent. The children were made to sing songs and play games and they were rewarded with small gifts and snacks. This experience made us realize how unconditionally blessed we are and the joy we feel when we share.

5. **Ms. Agnes Robeena Quincy S** won the **First Prize in Oral Presentation** at International Conference on Materials for Energy and Environment (ICMEE 2020) at Loyola College Chennai and also the **First Prize in Poster Presentation** at International Conference on Physics of Advanced Materials and Molecules (ICPAMM – 2020) Department of Physics, Dr. Ambedkar Government Arts College, Chennai 30th and 31st January 2020

6. **Ms. Josfel Flora and Ms. Nafeesa Begum** won Second prize for a science demonstration in the 'Summer Internship Program on Applied Physics' organized by the Department of Medical Physics at Anna University, Chennai held on 17th May, 2019.

7. The students of the department won various prizes for their active participation in co-curricular activities.
