DEPARTMENT OF MANAGEMENT STUDIES
(HUMAN RESOURCE MANAGEMENT)

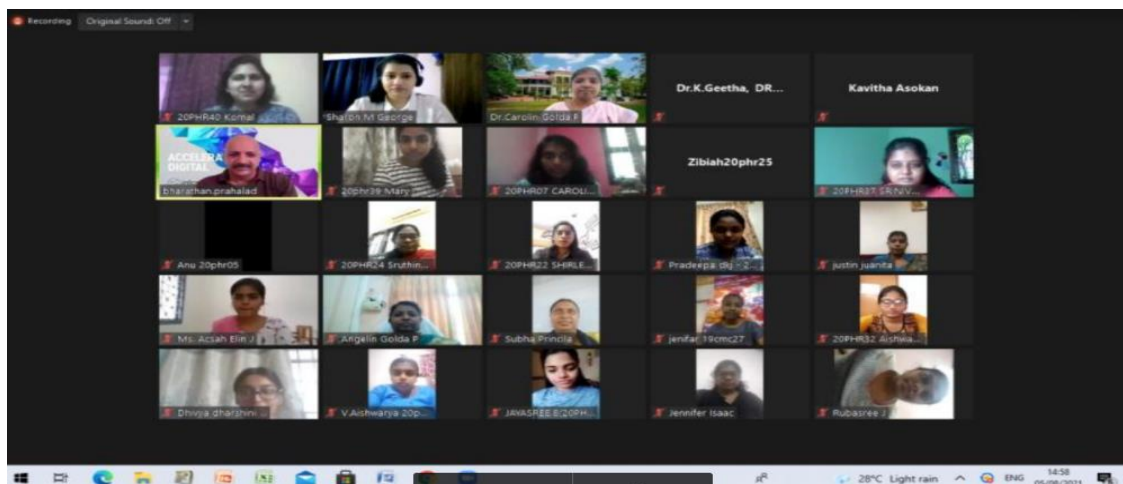

DEPARTMENT ACTIVITIES

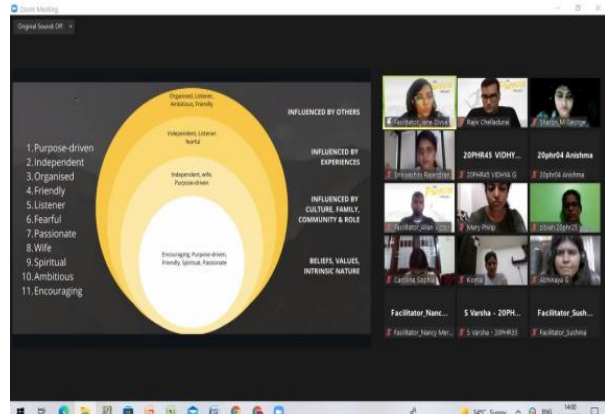

- A workshop on “Employability skill development” was conducted by the Department for the II MA HRM students on 27/09/2021 by **Mr. Gautam Shanmugam**. The workshop enabled students to upgrade their aptitude skills in order to encourage and support their employment opportunities.

- A **webinar** session was conducted by the department on “How to manage performance while remote working” on 05/08/2021 by **Mr. Bharathan Prahald**, Director- Head HR of Talent Acquisition at Infrostretch. The session taught students the art of managing remote work and also how to sensitize their working habits and quality of work.

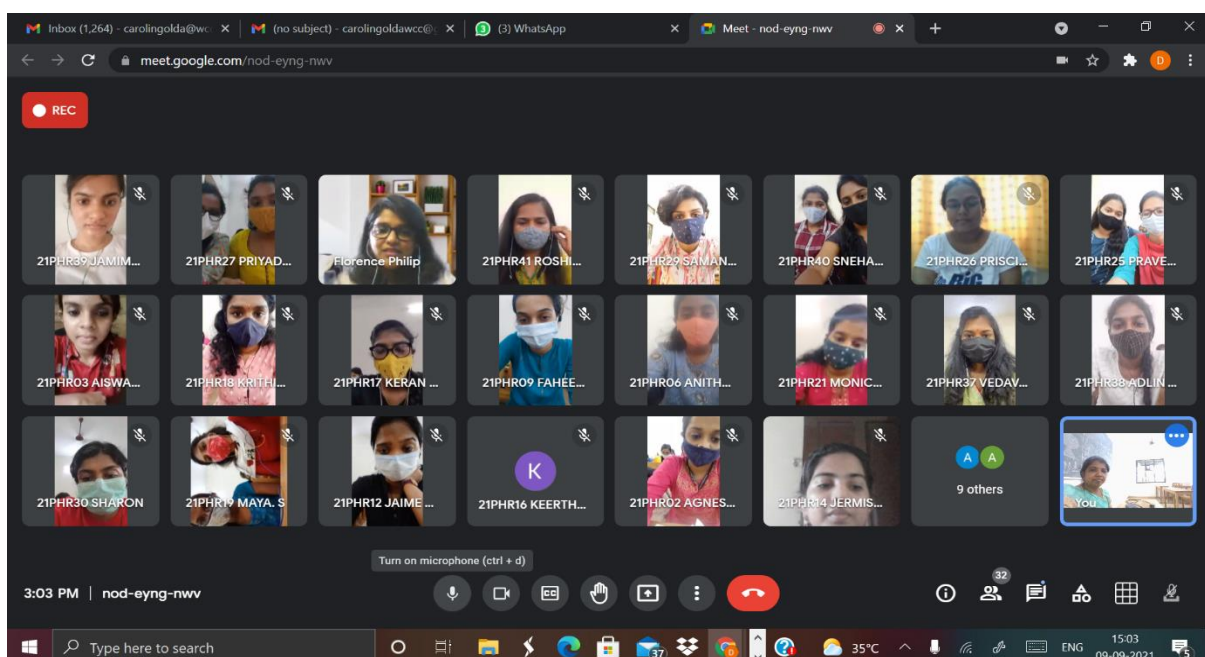

- A **webinar session** was conducted for the MA HRM students on **The Purpose Project** on 09/03/2022 by **Ms. Nancy and Ms. Jane from Ergos Mind (a learning service provider)**. The session encouraged students to plan the phases of life to live in a passionate, empowering, and impactful manner.

- A workshop was conducted by the department on **HR SCORECARD** on 13/03/2022 by **Mr. Rumesh Shankar**. Students were able to gain an understanding of the HR Scorecard, the nuances of KPIs and metrics, and the ability to implement the HR Scorecard in organizations.

- The department of management studies (MA HRM) had conducted a **series of online programs** as part of the **“Orientation and Bridge Courses”** for the first-year students of the department. A series of group activities, management games, and storytelling activities were conducted to stimulate the intuitive and creative thinking of the students.

- **Team building Activities were conducted** by the department as part of the orientation program for the I MA HRM students. Students were encouraged to create vision boards, and various management games were conducted.

- **An online guest lecture was conducted** for the II MA HRM students on “**Hypothesis testing and statistical tools of Research**” by **Dr. Suresh**, Faculty, Rajalakshmi Engineering College, Chennai. The session enabled students to gain an understanding of the concepts of hypotheses and their statistical implications in research.
