Principal & Secretary

Environment Policy

Women's Christian College (WCC) recognizes the need to promote environmental and social stewardship among the college community. The Environmental policy of WCC integrates sustainability goals to ensure positive impact on the environment. The key aspects of the policy include

- Incorporation of sustainability principles in the academic curriculum across all disciplines
- Nurturing and enhancing biodiversity across the campus
- Ensuring compliance with environmental laws and adopting the best practices for environmental management.
- Incorporating sustainability principles in daily activities, procurement practices, resource management and waste reduction by focusing on the 3Rs—Reduce, Reuse, and Recycle
- Sensitizing Students on environmental concerns and are motivating them to minimize and manage the college's environmental impact with regard to climate change.
- Setting goals for efficient use of energy and water resources.
- Creating awareness to promote environment conscious consumerism and social responsibility
