Principal & Secretary

Green Campus Policy

Women's Christian College strives to promote environmental stewardship and sustainable practices through the following initiatives

Reduce energy consumption

- installing energy efficient lighting and equipment on campus
- conducting energy audits periodically
- creating awareness among staff and students on energy saving practices

Water management

- Installing provisions for rainwater harvesting in campus
- upgrading water storage and plumbing systems to manage water conservation measures on campus
- educating everyone on campus to use water responsibly

Waste reduction and recycling

- Recycling of paper and e-waste
- Minimising single use plastics on campus
- Vermicomposting of leaf litter on campus

Green building and Infrastructure

- Adopt green building standards in all new constructions and renovations
- Maintain the green cover and sustainable landscaping on campus

Sustainable transportation

- Encourage use of bicycles, public transport, e-vehicles and carpooling among staff and students

Environment education and engagement

- Create awareness on environment and promote sustainable activities through the Centre for environment studies
- Organise events for promoting environment friendly lifestyle among staff and students
