E-governance Policy

Women's Christian College, Chennai, is committed to managing data efficiently with transparency and data security, to streamline all operations of administrative, academic and financial nature. The e-governance policy of WCC aims to enhance service, improve communication with stakeholders and accountability within the institution. Objectives of the policy include,

- Enhance operational efficiency by simplifying administrative processes through automation
- Ensure greater transparency in operations by making relevant information easily accessible to all stakeholders.
- Provide a secure digital platform for students, faculty, and administrative staff to access relevant academic, administrative and financial services
- Ensure data security over the institution's e-governance platforms through stringent security protocols.

This policy covers the use of e-governance systems for admissions process, student details, financial administration, conduct of examinations, management of facilities, human resources and internal communication.
